

RYAN'S CIRCLE OF GIVING  
PRESENTS THE 2ND VIRTUAL  
**HAPPY HOUR ON BROADWAY!**

An event to benefit RCG, a fund held at the Community Foundation of Middlesex County

**PLEASE JOIN US**

Brought to your home via Zoom

Grab your favorite drink (and maybe an hors d'oeuvre or two), relax in your home-theater and join us for a very Happy Hour of wonderful, live Broadway music, hosted by the incomparable, Kyle Barisich!

.....  
**This year's event is being dedicated to the  
loving memory of Ryan's grandmother,  
Lynne (Nanny) Rappoport**  
.....

Your Donations to Ryan's Circle of Giving have a **HUGE IMPACT** on the incredible charities RCG supports and the people who benefit from them!

Helps fund research for this fatal and so-far incurable genetic disorder

### The Cystic Fibrosis Foundation

Over the past 15 years, RCG's support has contributed to the development of new drugs and therapies that treat the basic defect in CF and have reduced hospitalizations for many, giving new life to approximately 90% of people with CF. This incredible progress is inspiring. Our continued support will go towards finding a cure once and for all!

Ryan Gordon Scholarship provides scholarship for K.O. students to attend a two-week community service project in Tobati, Paraguay

### The Ryan Gordon Fund at Kingswood-Oxford

The Covid pandemic has significantly worsened Tobati's issues dealing with hunger and extreme poverty. With most families living week to week, many families are struggling to purchase food and medicine. In response to this crisis, Team Tobati is raising money to support efforts in Tobati to provide meals to the families hardest hit by the pandemic. This year's donations to RCG will greatly impact these efforts.

### SMILOW CANCER HOSPITAL AT YALE-NEW HAVEN

Helps fund the Thoracic Oncology Program's tissue bank, researching the early detection of thoracic cancers

### The Yale Cancer Center's Thoracic Oncology Program

Despite COVID-related challenges, the faculty at Yale is moving forward with critical research projects. Ryan's oncology surgeon, Dr. Frank Detterbeck, et al, have published several important papers on lung cancer screening. Dr. Detterbeck also continues to be involved with activities at the national forefront, trying to improve the quality of care to manage the conditions of the chest.

Ryan Gordon Hartford Wolf Pack Fund supports a Learn-to-Skate program at Trinity College for Hartford children, pre-k through 6th grade

### The Ryan Gordon/Hartford Wolf Pack Scholars Fund at Trinity College

RCG's continued support will be put to its intended use — teaching local children to skate and play hockey — in a new program run jointly by Trinity, the Wolf Pack and the NY Rangers, when skating programs resume later this year or next.

Ryan's Circle of Giving will support the mission of the Connecticut Foodshare- to provide nutritious food to people in need.

### Connecticut Foodshare

As a second-year beneficiary of RCG's donation, the Connecticut Foodshare reports that your donations from 2021 will provide over 7,283 meals to CT families! The timing couldn't have been better, as they are in greater need than ever. Today in Connecticut, 428,000 people are food insecure, including nearly 110,000 children. With your partnership, our work addresses both the immediate need for food and the systemic changes needed within our community so that people can have lasting food security.

You make a **HUGE** difference and we hope, as Ryan's final wish explicitly stated... that you will be inspired to continue to give. Thank you so much!

## Throughout his life, Ryan gave where he saw the need, and rallied others to do the same.

By the age of 9, he raised money for the Pediatric Specialty Clinic at Yale by selling self-made books and putting on one-man Disney-movie plays in his garage. A backyard fair raised over \$1600 for the Wallingford Homeless Shelter.

In 8th grade, Ryan received his school's Community Service Award for his efforts in raising funds for Cystic Fibrosis, efforts which he continued through the end of his high school years. And posthumously, Cystic Fibrosis gave him their Hero Award for his fundraising and volunteer efforts.

At the tender age of 19, Ryan lost his life to a very aggressive cancer.

A week before his death, and in keeping with his life-long spirit of giving, Ryan asked that \$70,000 of his unused college funds be donated to charities that were important to him, and he hoped his donations would inspire others to do the same after he was gone.

Ryan's legacy is now a fund at The Community Foundation of Middlesex County (CFMC is a 501(c)(3) organization) called Ryan's Circle of Giving (RCG). Since 2006, over \$456,000 has been raised bringing the total of funds raised in Ryan's name to \$526,000.

We hope you will support the 2022 Ryan's Circle of Giving Happy Hour on Broadway through participation in our evening and/or through Contributorship. Your involvement will certainly help keep alive Ryan's last wishes of inspiring others to give, while providing much-needed financial resources to so many.
